FEDERAL AVIATION ADMINISTRATION TRAVEL POLICY
AMENDMENT 13

TO: Associate Administrators, Assistant Administrators, Chief Counsel, and Staff Offices

SUBJECT: Federal Aviation Administration Travel Policy (FAATP); Privately Owned Vehicle Mileage Reimbursement Rates for Travel During Calendar Year 2002.

1. **What is the purpose of this document?** This amendment transmits revisions to the 1998 Edition of the Federal Aviation Administration Travel Policy (FAATP) to establish the mileage reimbursement rates for use of privately owned vehicles for travel during calendar year 2002. This amendment is intended to provide equitable reimbursement of travel expenses incurred while performing official travel.
2. **When are these revisions effective?** The revisions are effective January 21, 2002.
3. **Who should we contact for further information?** Sandra Cavanaugh, (202) 267-9595.
4. **Background.** On January 15, 2002, the General Services Administration (GSA) issued Federal Travel Regulation (FTR)(41 CFR Subtitle F) Amendment 101, which increased the mileage reimbursement rate for operating a privately owned automobile while on official business from 34.5 cents per mile to 36.5 cents per mile. The amendment also increased the mileage reimbursement rate for operating a privately owned airplane while on official business from 96.5 cents per mile to 97.5 cents per mile, and the mileage rate for operating a privately owned motorcycle while on official business from 27.5 cents per mile to 28 cents per mile. FAA continues to follow the GSA mileage reimbursement rates for use of a privately owned vehicle, so this amendment makes the changes to conform with the FTR.
